

Heart envelope

A4 template · finished size 90 × 90 mm

size check: this bar = 5 cm

- cut
- slit (cut in)
- - - fold

1 Print & cut

Print at 100 % (actual size), ideally on 120–160 g/m² paper. Cut along the solid outline.

2 Cut the slits

Cut the two red lines where the heart halves meet the flaps.

3 Fold

Crease all dashed lines. Fold in flaps 1 and 2.

4 Close

Fold in flaps 3 and 4 and slide the slits into each other: the halves form one heart.

Heart envelope

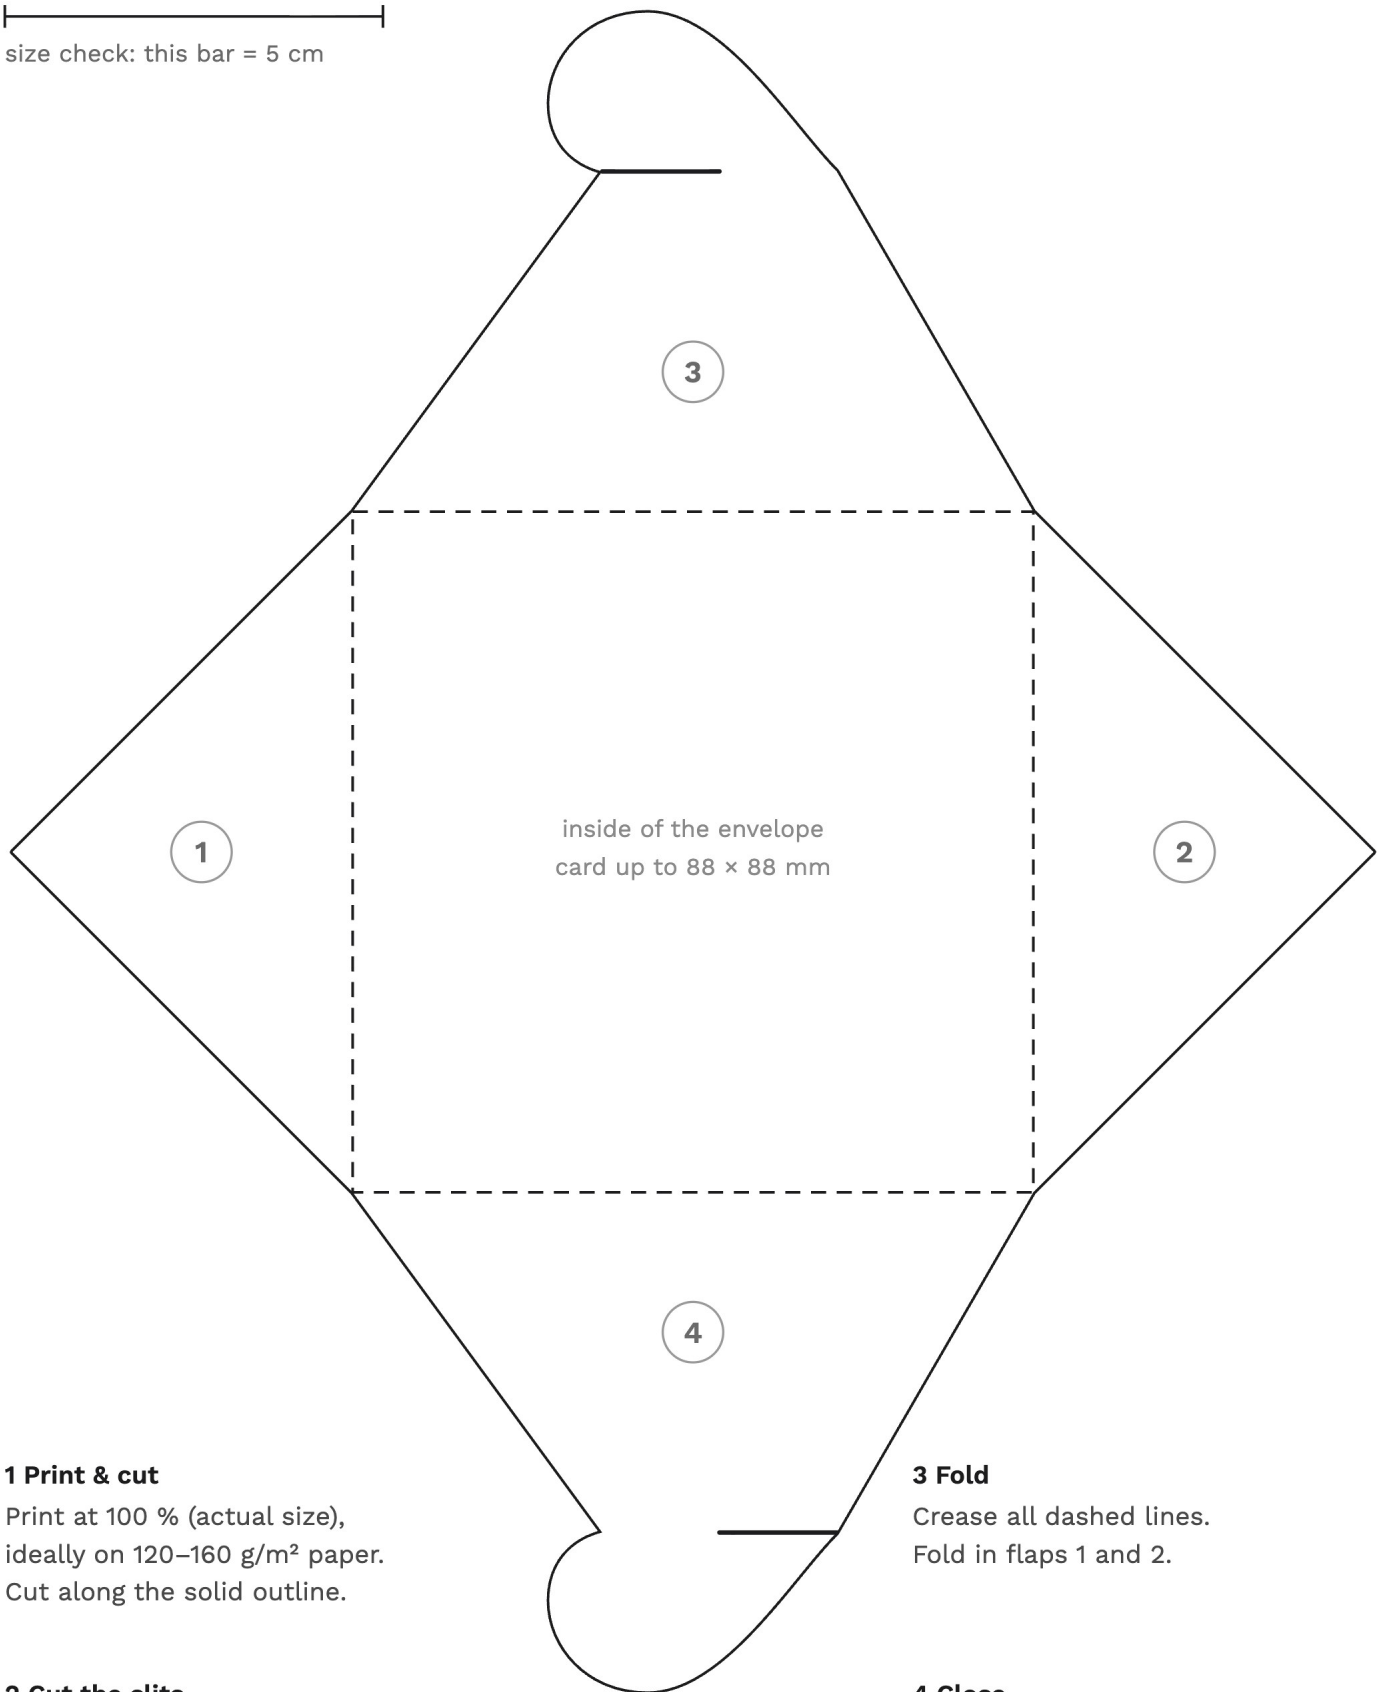

A4 template · finished size 90 × 90 mm

—— cut (outline + slits)

- - - - fold

size check: this bar = 5 cm

1 Print & cut

Print at 100 % (actual size), ideally on 120–160 g/m² paper. Cut along the solid outline.

2 Cut the slits

Cut the two short lines where the heart halves meet the flaps.

3 Fold

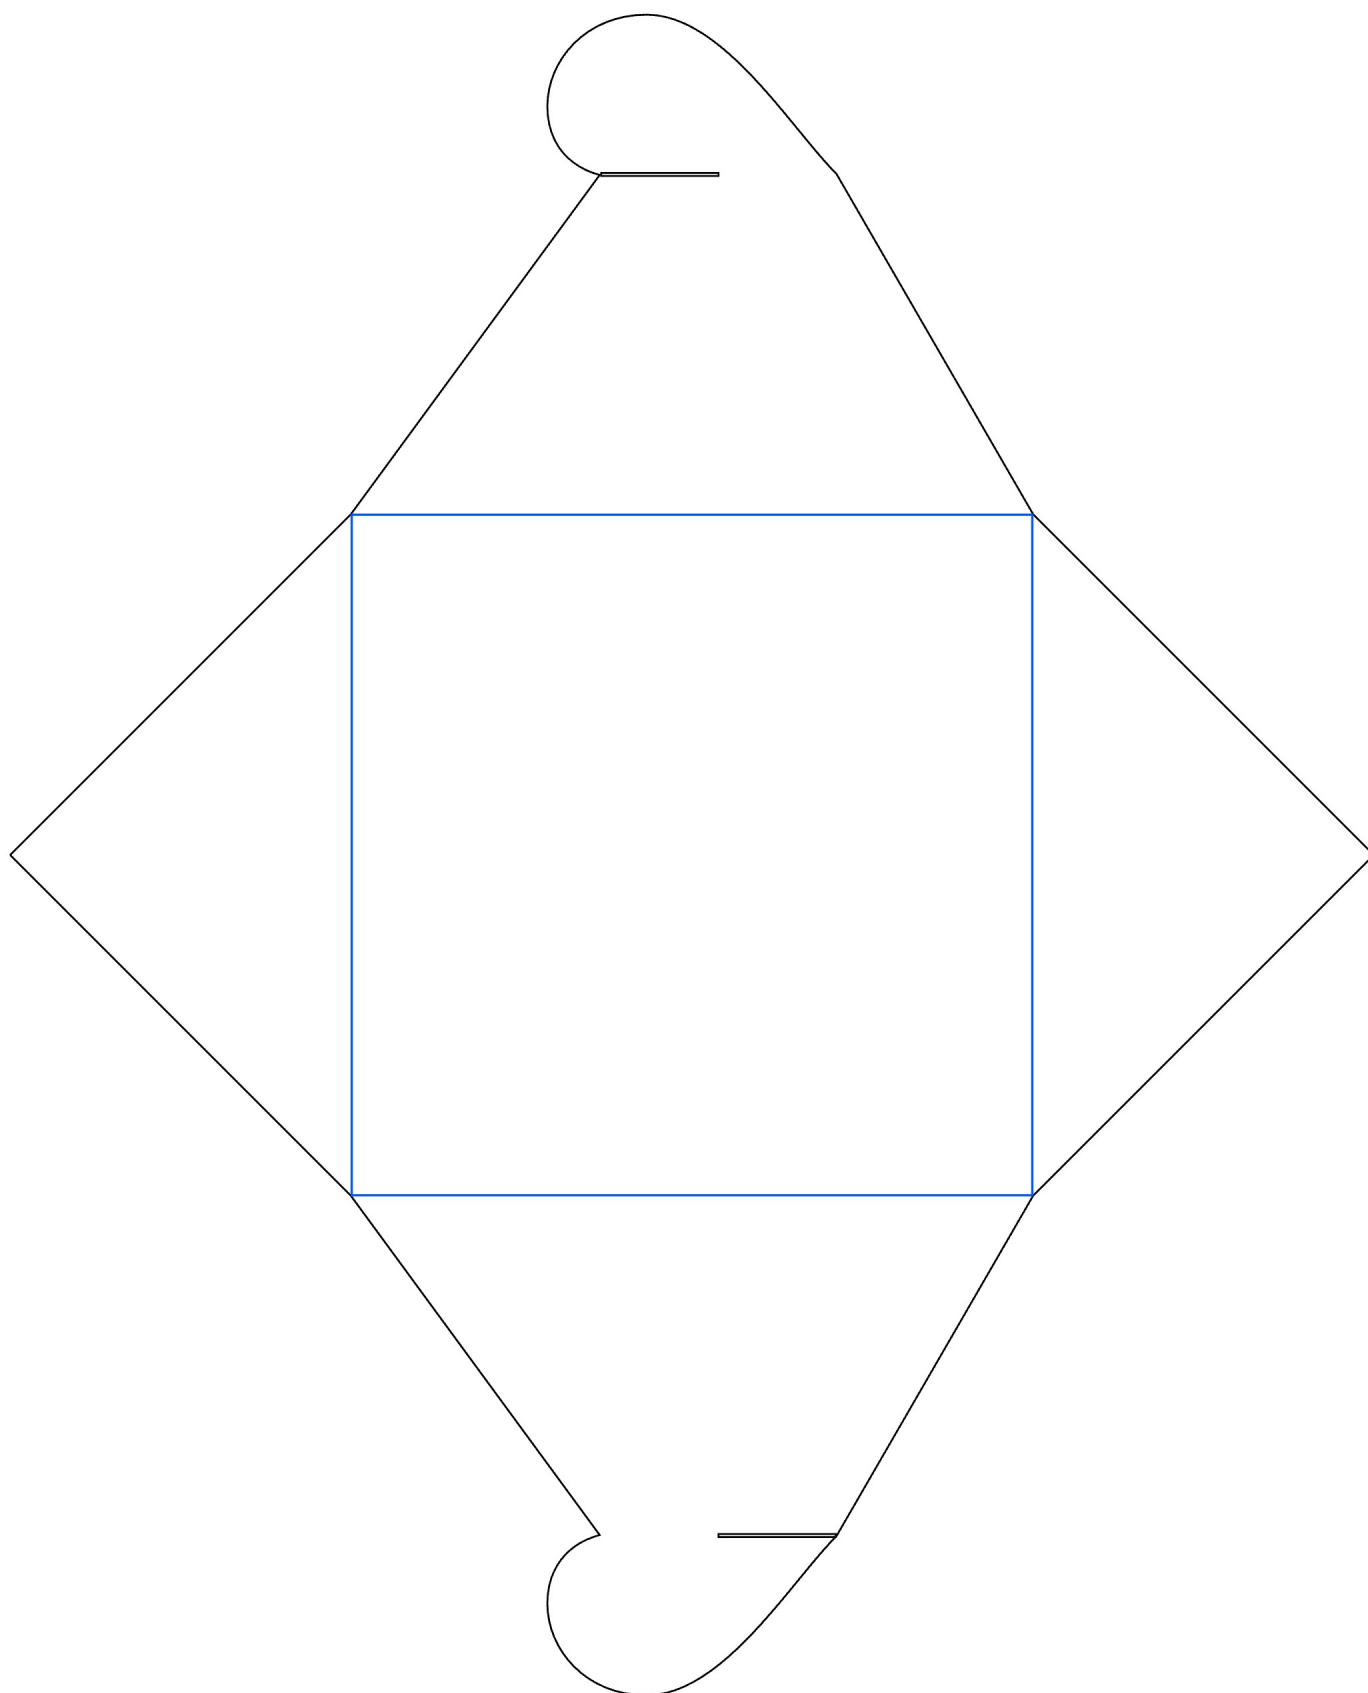

Crease all dashed lines. Fold in flaps 1 and 2.

4 Close

Fold in flaps 3 and 4 and slide the slits into each other: the halves form one heart.

Cutter layout

heart envelope · 90 × 90 mm

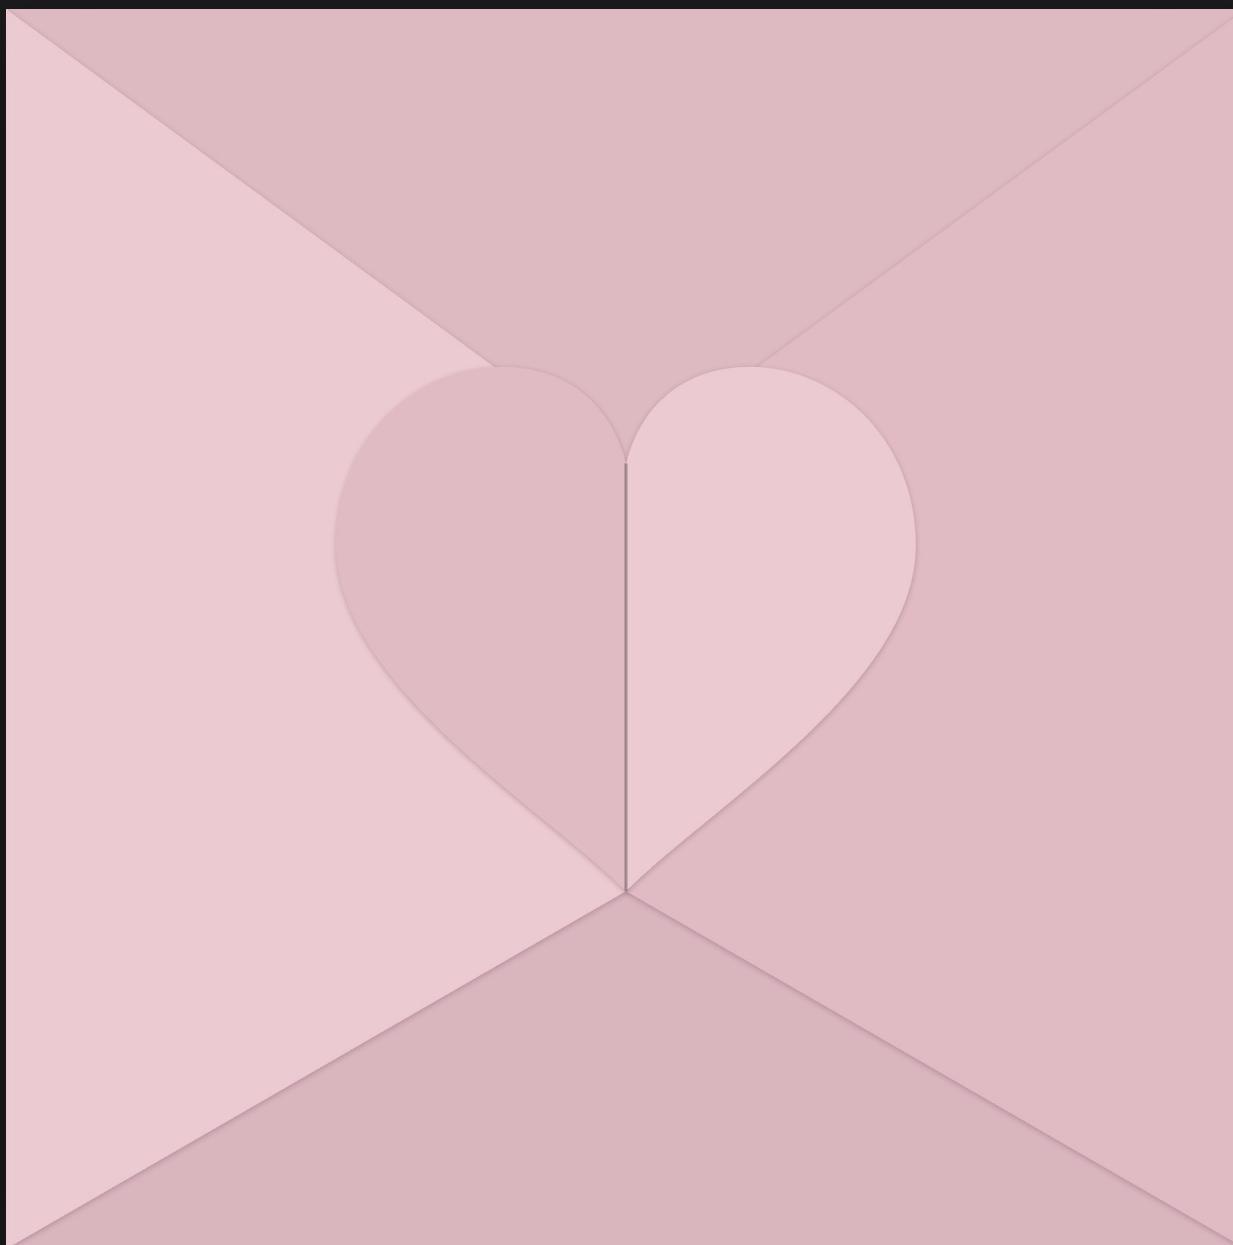

— cut — outline and 2 slits (layer “cut”)

— score — 4 fold lines (layer “score”)

Shape size 180 × 222 mm,
fits a 12 × 12 in mat.
